Headline:
A cold day with wintry showers.

Today:
A cold day with a mixture of sunny spells and wintry showers. These showers will be heavy at times and may fall as snow at times before conditions turn largely clear and dry by the start of the evening. Cold. Maximum temperature 9 deg C (48 deg F).

Tonight:
Starting largely clear, but cloud will increase from the northwest through the evening with some light rain and snow developing overnight. Cold. Minimum temperature -3 deg C (27 deg F).

Monday:
A cold and cloudy morning with patchy rain and some snow in places, mainly over hills. Brightening up going into the afternoon, but still with some showers. Drier overnight. Maximum temperature 11 deg C (52 deg F).

Outlook for Tuesday to Thursday:
Scattered showers on Tuesday and a few on Wednesday, albeit with some sunny spells too. Dry with some sunshine on Thursday. Gradually becoming milder.
